PARTNER SCHEME

Enjoy CBD? Love to share? Like extra pocket money? Become a MyPureCBD Partner.

What is a MyPureCBD Partner?

The partner scheme has been established to allow customers to earn money when they refer other CBD users to MyPureCBD.

It pays a commission to the partner when people they refer buy MyPureCBD products using a custom, individual link.

How do I earn money as a MyPureCBD Partner?

Once you are set up as a partner, you will be provided with a unique URL to share with your friends and associates.

When they buy CBD products from MyPureCBD using this URL, our system records the sale and allocates a commission to your partner account.

Once your partner account hits a set level, you will automatically receive a payout directly into your PayPal account.

How do I sign up to be a MyPureCBD Partner?

Visit <https://www.mypurecbd.co.uk/partner-area/> and register. Once you are established with an account, you'll see a dashboard showing your balance and commission rate.

On this dashboard page you can see an overview of your performance, a list of sales achieved through your link, a record of any payments, a reminder of your partner links and your profile, including your payment details.

How do I share a product with a potential customer?

When you register as MyPureCBD Partner, you will be given your own personal referral URL. It should look something like this:

<http://www.mypurecbd.co.uk/?partners=6>

Once that link is clicked by the person you sent it to, the `/?partners=6` part of the URL will disappear from their browser, but the system will know that any purchases made by that person came from your link.

How do I check the progress of MyPureCBD Partner earnings?

Visit the <https://www.mypurecbd.co.uk/partner-area/>

Once logged in, this dashboard will show all you need to know.

At what point will I be paid my MyPureCBD Partner earnings?

Once you reach the payment threshold, you will be paid using the method set when your Partner Account was created. This is usually £20.

Is there a limit on how much I can earn through the MyPureCBD Partner Scheme?

No.

Pure is good.

We believe in pure. Our products are 100% natural.
